

Eastern

Washington University, in **collaboration** with  
**Washington State University - Spokane County 4-H**

is offering an exceptional opportunity for area\*  
4-H and non 4-H youth ages 12-14.

**Chewelah Peaks**  
***Outdoor Learning Adventures Camp***

Ready...Set...Explore! Find yourself up in the mountains at Chewelah Peak Learning Center enjoying science, math and language arts using the natural environment as your classroom. Stretch your self-confidence with teamwork and leadership skills while making new friends. Conduct fieldwork and experiments in forestry, water resources, geology, and plant science using computers, microscopes, and hands-on group activities. Two sessions available.

For registration info, go to the <http://www.ewu.edu/x49632.xml>
